

Headful of Stories (Motorbiking)

Got my two wheel ride
And a friend by my side
Put your helmet on tight
We've got a story to write

Got a tank full of gas
And a head full of stories to write
Gotta go fast
Got a head full of stories to write

Stories gotta find some
Head for the horizon
Gonna write a new one
Like a pair of rebels on the run

Got a tank full of gas
And a head full of stories to write
Gotta go fast
Got a head full of stories to write

Yeah we're riding (vrrm vrrm) x2
Motor biking (vrrm vrrm) x 2

Got a tank full of gas
And a head full of stories to write
Gotta go fast
Got a head full of stories to write

Take it up a gear now
Don't have any fear now
Looking for ideas now
I think we're getting near now

Got a tank full of gas
And a head full of stories to write
Gotta go fast
Got a head full of stories to write
Tank full of gas
And a head full of stories to write
Gotta go fast
Got a head full of stories to write

Yeah we're riding (vrrm vrrm) x2

Motor biking (vrrm vrrm) x 2
