

Make Yourself A Story

It starts with an idea
That turns into adventure
Somewhere on a journey
You discover treasure
You explore a whole world
Of imagination
So set out on your journey
No time for hesitation

Make yourself a story
Tell it to a friend
You need a good beginning
A middle and an end
Brew yourself a story
Put it in the pot
A story only you can tell
Then fill it to the top

You can paint the village blue
Purple trees if you want to
You might ride a dragonfly
A turtle or a motorbike
You can travel far and wide
Even when you're stuck inside
In your mind you hold the key
To unlock creativity

Make yourself a story
Tell it to a friend
You need a good beginning
A middle and an end
Brew yourself a story
Put it in the pot
A story only you can tell
Then fill it to the top
Fill it to the top
Fill it to the top
Fill it to the top
Fill it to the top
